00 Civ. 0495 (LAK) (SDNY 2000)

We obtained permanent injunctive relief against several Internet watch counterfeiters, as well as for other famous brand watches. Although these defendants defaulted, we were able to convince the judge at a damages hearing (based on the purchase of one counterfeit watch from each site, and on one site owner's continuing activities and attempts to avoid being tracked down), to issue the money judgments.
