
Pro Bono

Fross Zelnick recognizes the importance of pro bono work and encourages our lawyers to take advantage of opportunities to get involved. We have worked with organizations including Kids in Need of Defense, Lawyers without Borders, Teach for America, The Everyday Projects, and Volunteer Lawyers for the Arts.[More](#)

Fross Zelnick recognizes the importance of pro bono work and encourages our lawyers to take advantage of opportunities to get involved. We have worked with organizations including Kids in Need of Defense, Lawyers without Borders, Teach for America, The Everyday Projects, and Volunteer Lawyers for the Arts. In addition, we are proud of successful efforts by our lawyers to work on behalf of individuals seeking asylum in the United States, needing help on matters involving family court, and otherwise providing legal assistance whenever possible.
