

# Karen Lim Named One of World IP Review's 50 "Influential Women in IP"

We are proud to announce that Fross Zelnick partner [Karen Lim](#) has been named one of the 50 WIPR Diversity 2023 "Shining Lights" by [World IP Review](#). This annual listing of WIPR's Influential Women in IP features the best and brightest women in the field of intellectual property. [More](#)

We are proud to announce that Fross Zelnick partner [Karen Lim](#) has been named one of the 50 WIPR Diversity 2023 "Shining Lights" by [World IP Review](#). This annual listing of WIPR's Influential Women in IP features the best and brightest women in the field of intellectual property.

Karen's IP practice brings a truly international perspective as she advises clients on the selection, clearance, prosecution, maintenance, and enforcement of trademarks in the U.S. and worldwide. Her forward-looking approach and multi-faceted protection strategies have helped clients in a wide range of industries achieve long-term value and success. Karen is a former Director of the [Asian American Bar Association of New York](#) and co-founder and former co-Chair of its IP Committee. She is also the former Chair of the Subcommittee for Women of Color of the [Women in the Legal Profession Committee](#) of the New York City Bar Association. Karen currently serves on the Fross Zelnick Diversity Committee, which includes attorneys and staff members from different departments within the firm.

Fross Zelnick is committed to [diversity and inclusion](#), reflected in its partnership, lawyers, staff, and the organizations it supports. The firm has championed a diverse workforce for many years and has been recognized for its efforts by *Law360*, *Chambers and Partners*, and *Managing IP*.

Congratulations to Karen for this well-deserved award and thank you to *World IP Review* for recognizing Karen's expertise and achievements in the field of intellectual property.
