Law360 wrote about efforts of [Barbara Solomon](#) and **Sean Harb** to identify some of the entities who have adopted and are using packaging similar to our client Mondelez's Sour Patch candy packaging in order to sell unregulated THC-infused products. By utilizing various forms of early third-party discovery, they can now proceed with the lawsuit on behalf of Mondelez for trademark infringement, dilution, and unfair competition against the parties they located. The case is pending in the U.S. District Court for the Central District of California.
