

Thai (.TH) Second Level Domain Re-Launch

The Thai registry re-launched 2nd level .TH domain names on June 1st, 2022 through July 31st, 2022. Previously, the .TH extension was restricted to IDN (non-Latin) characters only. THNIC is now allowing ASCII characters for .TH domain names, meaning English words are now available for registration with the .TH extension.[More](#)

The Thai registry re-launched 2nd level .TH domain names on June 1st, 2022 through July 31st, 2022. Previously, the .TH extension was restricted to IDN (non-Latin) characters only. THNIC is now allowing ASCII characters for .TH domain names, meaning English words are now available for registration with the .TH extension. Registration of .TH domains will be on a first come, first serve basis. If you have not already registered your .TH domain, or if you have any questions about the new rules and procedures, please [contact us](#).
