We are pleased to announce that Who's Who Legal awarded Fross Zelnick the North America 2024 IP – Trademarks Award. Partner Leo Kittay and Counsel Maritza Schaeffer attended the 2024 North America Lexology Awards last Thursday night to accept the award on the firm's behalf.

Rupert Wilson, Head of Individual Research, Lexology said: "The quality and complexity of work being done across the legal industry continues to astound, with both private practice lawyers and in-house teams breaking new ground annually in ingenuity and legal skill, daily performing critical roles for their clients or businesses. Lexology is proud to support them in their roles and to have the opportunity to recognize and award those who truly stand out as the best in this field".
